

Easingwold District Community Care Association. (EDCCA)

Community Mini Bus – conditions of use.

Our mini bus is for the benefit of the community as a whole. We provide a variety of journeys/trips for local residents. If you would like further information about what is currently on offer please ring the office tel.no. 01347 822875 between 9.30am and 12.30pm weekdays except Wednesdays.

The use of the mini bus is regulated by a section 19 permit issued by North Yorkshire County Council (NYCC) which allows us to carry out certain activities which are appropriate to and compatible with our purposes as a charity.

If you are a member of a local group/organisation you are able to use our mini bus, provided certain conditions are met specifically:

1. The group/organisation needs to book the mini bus in advance through our office as above. A designated person must be identified as a point of contact for our staff. If the use is appropriate and compatible with our purposes as a charity, then you will be given a quotation for the use of the mini bus. (see costings below)
2. Due to legal requirements, the driver must be "MIDAS" trained, have a D1 group on their driving licence and be recorded as an EDCCA volunteer. Without a suitable trained driver the mini bus cannot be used.
3. The cost for using the bus will be paid after use once the total mileage and therefore cost has been finalised. The person booking the bus will be invoiced directly.
4. The vehicle must be left in the same condition as it was prior to your use.
5. Any parking costs during your use will be paid for by you, not the driver.
6. Any damage caused by passengers will be paid for by the named contact of the group responsible for the booking.

The use of the mini bus is very dependent on having suitable volunteer drivers who are trained. **If your group/organisation would like to make use of the mini bus, please get in touch with the office.** It may be possible for one of your group to receive "MIDAS" training (which we could arrange) and register as a volunteer driver for EDCCA. If you already have a driver who is MIDAS trained, then they could register as an EDCCA volunteer – making it more likely that the bus would be available for your use.
