York Against Cancer Minibus Scheme

York Against Cancer runs a free minibus service from York to The Bexley Centre in Leeds for those undergoing Radiotherapy Treatment.

The Minibus Service aims to take all the worry away about getting to the hospital and make the journey a pleasant one.

For those people living in the Easingwold District we can provide a free car service to the minibus at Rawcliffe.

York Against Cancer Minibus Scheme

If you have been prescribed a course of radiotherapy at The Bexley Unit, St James's Hospital Leeds and you are concerned about travelling over there please get in touch.

One of our volunteer drivers can collect you from your home, take you to the minibus collection point at Rawcliffe and be there when you return later in the day.

This is a free service supported by The Friends of St Monica's Hospital, Easingwold.

Would you like to become a volunteer?

Volunteers for this scheme would need to enrol as a volunteer with EDCCA and undergo a DBS check
