

What is Hub Club?

Hub Club is a welcoming place. It is your club and we want you to feel relaxed and comfortable, surrounded by good company

We aim to organise activities that mean something to you. So, we might support you to do something you already enjoy or give you the opportunity to try something new. You will also get the chance to talk about things you have experienced or that you are passionate about.

Throughout the day, we try to include a variety of activities, such as traditional board games, basic construction projects, drawing and painting, crafts, poetry and music, exploring the atlas and local history, and so much more! We also aim to have regular guests, such as artists and entertainers.

We have access to outdoor space where we can enjoy a gentle stroll in the fresh air.

We try to have a mix of active times and then quieter times in the day. Your comfort is important to us, so plenty of refreshments will be provided throughout.

Our trained staff, Elaine and Tracy and friendly volunteers will ensure you feel supported and valued during your time with us.
