

DO YOU HAVE SOME SPARE TIME?

WOULD YOU LIKE TO HELP YOUR LOCAL COMMUNITY?

EDCCA runs a Car Scheme to provide transport for people in Easingwold and the surrounding area to go to medical appointments, care home visits, hair appointments, and other social visits and Day Care facilities. The scheme is open to anyone who is elderly, ill, has a disability or special needs, and those unable to access other forms of public transport.

We are looking for anyone who would be happy to use their own car and would be able to give time to take people to their appointments. We pay expenses for these trips. Most trips are in the local area, to places like Millfield Surgery and the hospitals in York, but some are to other medical facilities in the area. It is up to you how many trips you are able to undertake each month.

If you are interested in becoming involved, or would like further information, please contact Rachel on 01347 822598 or our office on 01347 822875.
